Stunning Timber Home with Tambo River Views – A Unique Property

Nestled just 100 meters from the serene Tambo River and the Johnsonville Boat Ramp, this exceptional timber home offers a unique blend of charm, character, and modern comforts. Built in 2017 and designed with meticulous attention to detail, the residence boasts high-quality materials and a versatile layout to suit diverse family needs.

Key Features:

- **Timber Construction & Design:** The home features beautiful cedar weatherboards under a wrap-around verandah, complemented by a Baltic pine interior and Western Australian Jarrah floorboards. Australian hardwood internal doors and an American oak kitchen with a classic Rayburn slow combustion stove with a hot water jacket enhance the home's rustic appeal.
- **Bedrooms & Living Spaces:** Two bedrooms offer river views, while four distinct living and dining zones provide flexibility for various uses, catering to both relaxation and entertainment. (A floorplan will be available shortly, please contact us for a copy)
- **Energy Efficiency:** Equipped with an evacuated tube solar hot water system, electric boost, and the option to use the Rayburn cooker for heating water, the home ensures reduced utility costs. Additional
